I think two separate amendments will be better---

Do you want the second amendment to *incorporate* the first amendment too? Or should it just deal with the crossbow issue?

No, the current amendment you drafted is fine. We want to introduce a SEPARATE amendment for the bill (as amended) that takes Cross Bows out of the WHOLE bill. Does that make sense?

Do you want me to redraft that amendment or just do a new amendment? If you want me to redraft the amendment, you will have to return the stripes to our office. Let me know your preference.

Thanks.

Assembly Bill 8, the urban bow hunting bill. You already drafted an amendment which deletes the last sections of the bill related to hospitals and schools, now we would like to further narrow the entire bill to only apply to traditional bow and arrows

Ashlee:

I have been so busy this week that I no longer have my note from your earlier phone call. So which bill is this amendment relating too?

Thanks.

Just kidding,

The representative would like to eliminate Cross Bows from the entire bill. Can you draft an amendment that would eliminate cross bows from the entire bill, but keep traditional bow and arrows.

Let me know if you have any questions. Also, when do you think you can get that drafted?

Hey Robin

Thanks for getting back to me earlier this week, I apologize I have been out sick. We were thinking of changing the amendment, but we are going to stick with it as is. So no need to worry! Thanks again
